

2019 Fish-N-Friends Toys for Tots Tournament

Toys for Tots began in LA 1947 by Marine Corp Reserve officer Maj Bill Hendricks. At that beginning the Reserve unit collected and distributed 5000 toys. After the Commandant of the Marine Corp saw that the LA Reserve unit was successful, he directed all Marine Corp Reserve units to implement a Toys for Tots program. This action transformed the program into a National campaign. We at Nanticoke Bass Club and our tournament sponsors are proud to be associated with this charity,

Our 2019 Tournament took place on the Pocomoke River in Snow Hill Maryland with 65 Anglers from 18 different TBF and Bass Nation clubs from Delaware, Maryland and Pennsylvania participating. Many of the Tournament served in the branches were managed to fill the bed of the truck. The toys were picked up by Shore Toys for Tots our contact person at Toys Tournament has been held. brings together the fishing fun way to support this support our troops and our year's tournament
